

# INDIANA COLLEGE CORE

Indiana University -  
Bloomington

## GET AHEAD

Students who earn the ICC in high school may start college by focusing on major-specific coursework immediately. This offers more flexibility in your college schedule.

## EXPLORE MORE

Earning the ICC gives college students the opportunity to study abroad or add a major, minor, or internship to their four years at college. Also, a student may be able to join the work force a year early.

## SAVE TIME & MONEY

Earn a full year of specific, general credits which can potentially save you and your family thousands of dollars. Courses include science, math, english, speech, social studies, & languages.

## WHY CHOOSE?

Students who complete the ICC coursework will receive a block of 30 credit hours of general education, college-level coursework which is guaranteed to transfer between all Indiana public colleges and universities. Students won't have to worry about transcript pulls and what will transfer.

## ICC PRAISE

Any student who earns the ICC upon graduation will receive a cord to display with their gown and it will be noted in the program as special recognition at graduation. In addition, students will be advertised for receiving this accomplishment in media and social media.

## SCHOOL SHARE

Guaranteed to apply at ALL Indiana public colleges and some private colleges

## IU RIGOR

Since IU is a four year university, many of the credits apply to out-of-state & private schools

## ADDITIONAL WORK

AP courses may be used to complete it and students can complete more than the 30 credits
